

HELPING FAMILIES NAVIGATE THE SILVER TSUNAMI

AGING ADVOCATE • PODCAST HOST • AWARD-WINNING BROADCAST JOURNALIST

THE STORM IS ALREADY HERE.

THE FAMILIES WHO
SURVIVE IT ARE THE
ONES WHO **PLAN.**

NANCY A. COGAR, ESQ. ELDER LAW ATTORNEY & AUTHOR

Nancy A. Cogar does not give audiences information about elder care planning. She gives them permission, language, and urgency to act on what they already know they should do.

That combination, legal authority, personal lived experience, and two decades of broadcast communication skill, is what separates her from every other speaker in this space. She is not a theorist. She is not a talking-head attorney. She is someone who has sat on both sides of the crisis, as the professional and as the daughter, and who speaks from that place with honesty, warmth, and precision.

Her keynote consistently generates an immediate audience response. People lean forward. They take notes. They make phone calls on the drive home. Because this topic has been waiting for someone to give it the voice it deserves. Nancy is that voice.
